

## TOWN OF HARWINTON ECONOMIC DEVELOPMENT COMMISSION

The Harwinton Economic Development Commission is conducting a survey of the Town's business community in order to accomplish two goals.

1. To develop a directory of businesses in Harwinton to be placed on the Town website to better inform the public about the businesses here.
2. To develop a profile of Harwinton's business so that programs can be developed to better focus on and support those businesses.

If you have a business in Harwinton and would like to be included in the directory, please fill out the attached brief questionnaire and return it to the Town Clerk or by mail to the Economic Development Commission at the Town Hall. There is no cost to your business.

Thanks for your help in this project.
