2020-2021 BUDGET

Mike Criss submitted a revised 1088 budget, \$9,385 less than previously approved.

Discussion of the budget, income and potential taxes ensued. The presented numbers show a .5 mill increase. Discussion centered around keeping the tax rate increase low or the same as last year. It was decided to examine potential increases in income and potential cuts to the budget. Approximately \$250,000 must be cut or offset by other income to keep the mill rate the same.
