

HARWINTON CONSERVATION COMMISSION

Meeting March 17, 2014

Minutes

- Meeting 7:00pm

Present: S. Barlow, C. Butcher, Herb Etter

**Conservation area:**

**Trails:** Herb added an arrow to the Purple and double red junction. The purple trail needs marking and Herb will get to this when the weather gets better. Maps are still in the boxes.

- Noted that the most recent version of map is on the town website.
- A QR code to link directly from a cell phone to the map would be a great addition when the maps run out. This could be put right on the map boxes.

**Conservation Sign-**Larry Connors gave C. Butcher an overall plan and the costs for what would need to be done to repair the sign. He is willing to do the project. It will need to be determined what remains in the budget and what needs to be spent for the Green. We would like this done when the weather allows.

**Naugatuck River Greenway-**

J. Kirchner has been obtaining sponsors for the 5K in June.

**Town Green;**

Suzanne and Colleen will try for an appointment with First Selectman M. Criss to discuss the options for the Green flower garden.

Budget and Annual Plan submitted: \$400

J. Goodno to be contacted as to how much is left in the budget.

**Membership-** Need new members.
