

**HARWINTON CLEAN ENERGY COMMITTEE**  
**MEETING MINUTES**

May 24, 2010

6:30 PM Call to order

Present: Jack Sheehan, Tracy Mirsky

Minutes of March 29, 2010 read but not approved due to lack of quorum

**Town Website** - continue to add information to the Clean Energy page. Ideas include energy conservation tips and information about energy rebates. Jack will add a "visitor counter" to the page. Tracy will contact the schools to check interest level for adding energy related information from the schools on to our site.

**Portfolio Manager** - Jack will take steps to set this into motion for the town.

Tracy will forward "webinar" information to Jack

Tracy will begin to organize a clean energy informational program for residents. Ideas: energy audit and WRAP information.

The next meeting will be scheduled in July.

Respectfully submitted,

Tracy Mirsky
