

Harwinton Ambulance Building Committee

Meeting Minutes – August 17, 2010
Harwinton Town Hall

Members Present: Todd Mattiello, Jason Emery, Bob Collins, Bill Gordon, John Fredsall, Brian Dunbar, Peter Thierry, Dan Fiore

Attendees: Vincent Wheeler, Todd Dedominicis

1. Meeting called to order at 7:05 PM.
2. Meeting minutes from July 20, 2010 reviewed and approved.
3. Committee members shared thoughts on proposed changes to the current building design. Input will be used to re-draft the plans for additional review at the next committee meeting – Dan Fiore on point for re-drafting current plans.
4. Development of a specification list for building discussed. Building specifications sub-committee to take the lead on developing same and will share progress at next scheduled committee meeting.
5. Timetable for project benchmarks tabled for discussion at next committee meeting.
6. No additional tasks assigned to sub-committees other than what is mentioned above.
7. No further discussion relative to old business.
8. State approved a reallocation of a \$200,000 grant towards the new ambulance building bringing the total grants for this effort to \$620,000, a small portion of which will be required to fund grant administration expenses. Jason will take the lead on setting up meetings with various town boards to create awareness and secure input relative to the ambulance building.
9. No public comments shared.
10. Meeting adjourned 9:07 PM.
