## Updated Policy for trips and parties

Due to the increase in number of “no shows” we have to adjust our policies. We cannot afford to pay for meals or tickets for people who do not show up to events. If you have not submitted payment by the date that registration is due (typically one week before event) we will remove your name from the list. No refunds for cancellations after the cancellation date (5 days prior to event). In order to secure your spot we suggest you plan on paying the same day that you register or soon after. You can send checks in the mail or drop them at Town Hall in the drop box.
