Town Green;

Suzanne and Colleen met with First Selectman M. Chriss to discuss the options for the green flower garden. At this time the town can not take over the garden as it is not in this years budget. We will pursue this for next budget. For this year, M. Chriss offered to contact a youth group to help. The first Saturday in May, S. Barlow, C. Butcher and J. Goodno will meet and work on weeding, edging and adding more top soil into the garden to prep for flowers at the end of the month.
