The Salvation Army's CONNRI Lodge and Conference Center. We are located on a beautiful 52-acre private lake surround by a 272-acre woodland site on Route 74 in Ashford, conveniently located between I-84 and Route 44. CONNRI Lodge is a full-service conference center and year-round facility. No matter what season you choose to have your group's event, there are a variety of activities for both the fun and practical needs of your group!

CONNRI Lodge can accommodate 60 overnight guests (30 twin-bed rooms with private bath). There are multiple meeting/conference rooms that can be used for small or large group sessions. Our facility is equipped with an elevator and two handicap accessible rooms to ensure that we are fully user-friendly! Our dining room and kitchen staff will provide delectable meals for breakfast, lunch, dinner, with salad bar and snack time, if requested. We can also accommodate for larger groups that wish to use other facilities on the camp grounds such as our cabins, dining hall and the Stark Pavilion for group meetings.

Recreational activities are also available to meet campers needs – from shuffleboard to baseball, hiking, boating, fishing, and of course, a campfire site – all are found at Camp CONNRI.
