

The map displays the town of Torrington, Vermont, and its surrounding areas. The Harwinton Substation is a central feature, connected to the Franklin Drive Substation and the Torrington Terminal. The map also shows the locations of other substations: Campville Substation and Chippens Hill Substation. Key roads and geographical features are labeled, including Burlington Rd, Terryville Rd, Hill Rd, and the Harwinton Brook. The map is divided into sections by town boundaries, with labels for New Hartford, Canton, Burlington, Litchfield, Morris, Thomaston, Plymouth, and Bristol.
