

THE PLANNING COMMISSION INVITES YOU TO
THEIR COMMISSION MEETINGS
TO DISCUSS AND GIVE INPUT
ON THE UPCOMING
2020 PLAN OF CONSERVATION AND DEVELOPMENT

The Planning Commission is actively working on revisions to the Town's Plan of Conservation and Development and would appreciate input from every resident in town and every town Board or Commission.

- How would you like to see Harwinton grow and change over the next ten years?
 - What would you like to stay the same?

Revisions to the 2010 Town Plan will lay out strategies that our town boards, commissions and local organizations can carry out to achieve shared goals for economic development, housing, natural resources, community resources and young families.

The Planning Commission would welcome and appreciate your input at the following meetings held at the town hall at 7:00 p.m.:
