RECEIVED and reviewed minutes of the December 17, 2014 meeting

HEARD report from Lisa Lundberg, Administrator.

REVIEW of a suggestion to seek additional senior housing in Harwinton. The
cost to obtain property for building purposes gained a review. Steep Funds
and Open Land Grants are a possible source of funding in addition to other
avenues. A possibility for the future in response to very high and long
waiting lists for subsidized housing in our area.

Meeting was without a quorum and no further business was conducted.

Respectfully submitted,

David E. Eylers
