

PRESS RELEASE

The Town of Harwinton is advising all of its property owners that per Ordinance # 97 it is illegal to plow or throw or cause to be plowed or thrown any snow or ice from any premises, on or into any state or municipal highway, street, shoulder or sidewalk in the Town of Harwinton, in such a manner as to cause inconvenience or hazard to public travel. Snow left in the road causes extra costs to cleanup and equipment damage to Town trucks when it is encountered and must be removed. If you or your contractor leave snow in or along the shoulder of the road which causes an accident you can be held liable for injury and property damage that may occur. The Town of Harwinton will enforce this ordinance, which is a fine of \$50 for each violation through the Residents Trooper's Office for those who do not comply. Please be sure you have the proper adequately sized equipment to remove your snow and do so as to keep the snow out of the Road. The Town of Harwinton thanks you in advance for your cooperation in this matter.
