

**AN ORDINANCE EXEMPTING FROM TAXATION  
BY THE TOWN SOLAR ENERGY HEATING  
AND COOLING SYSTEMS**

Enacted by the Town of Harwinton at Town Meeting April 27, 1977:

Any building or addition to building within the Town of Harwinton, the construction of which has or will be commenced after October 1, 1976 and before October 1, 1991 which is equipped with a solar energy heating or cooling system as defined in Section 12-81 (56)b shall be exempt from taxation to the extent of the amount by which the assessed valuation of such real property equipped with such solar heating or cooling system exceeds the assessed valuation of such real property equipped with the conventional portion of the heating or cooling system, exclusive of any portion of such system related to solar energy for the first fifteen assessment years following construction of such building or addition. Such exemption shall be available to owners who comply with the requirements of Section 12-81 (56)c.
