Absent: ZC Nancy LaGanga; Todd Ouelette; Alternate ZC Robert Lavoie, Glen Bradley; Kevin Ferrarotti

Present for the applicant: Atty. William Tracey; Mark Vignealt, VP Supreme Industry and one assistant; Frederick Pesce

Location: Johnnycake Airport Property, LLC, 529 Burlington Road, Harwinton , CT 06791

Site activities conducted by Supreme Forest Products, special permit for retail sales of earth products

The meeting commenced at 6:10 pm. Commissioners toured indoor storage facilities containing bagged natural products.

Buonocore questioned where sales of materials will take place. Mostly in the office area. Customers will enter and exit premises from Burlington Road.

Buonocore questioned the site relationship to an adjoining site where helicopter landings may take place.

There was spacious parking facilities in front of the building to the east.

In front of the storage building to the east were located large mounds of processed wood product in various colors.

Brazaitis questioned what type of dye is used to color wood product. It was said to be natural vegetable dyes.

The open area to the south of the storage building is used for holding mounds of unprocessed raw wood shreds. There was no processing taking place at this time. Brazaitis questioned any fermentation process. Material does ferment but is located a safe distance away from buildings and facilities. Public is not permitted in the raw materials storage area.

Additional vehicles and equipment are located in a large open space to the east of the main building.

The meeting adjourned at 6:30 pm.
